Washington State Elections

General Election  
November 8

2022

Official Publication

**WASHINGTON**  
Secretary of State

Ballots mailed out by **October 21**

1 (800) 448-4881 | [sos.wa.gov](http://sos.wa.gov)

On behalf of the Office of the Secretary of State, thank you for participating in our democratic process. I am pleased to present the 2022 General Election Voters’ Pamphlet to help you make informed decisions as you exercise your right to vote. This guide includes information about voting, and the candidates and measures that appear on your ballot.

Before you can participate, you must be registered to vote. Voter registration forms that are mailed or completed online must be received by Oct. 31, and we encourage you to review your registration information today at **VoteWA.gov**. After Oct. 31, you must visit an elections office or voting center during regular business hours or until 8 p.m. on Election Day, Nov. 8, to register to vote or update your registration and receive a ballot.

After you have voted your ballot, be sure to sign the return envelope. Your signature is important because election officials check that your signature matches the one on your voter registration record before they count your ballot. Next, return your ballot. If returning by U.S. mail — no postage needed — remember that ballots must be postmarked by Nov. 8 in order to be counted. You can also use an official ballot drop box anywhere in the state. Drop boxes are open until 8 p.m. on Election Day. Check **VoteWA.gov** to locate a ballot drop box or see the status of your ballot.

By voting, you are making your voice heard.

Sincerely,

Trova O’Heffernan  
Assistant Secretary of State

## What if I'm not 18 yet?

**If you are 16 or 17, become a Future Voter!**

# # Future Voter

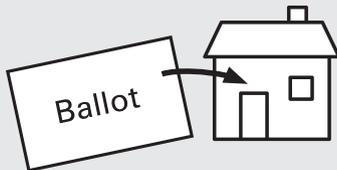

Sign up online at [VoteWA.gov](http://VoteWA.gov) with your Washington state driver's license, permit or ID. Or, you can fill out a paper registration form using the last four digits of your Social Security number and mail it in. You'll be automatically registered to vote when you qualify.

Every January on Temperance and Good Citizenship Day, high school students 16 and older have the opportunity to complete a voter registration form in class.

# How do I vote and return my ballot?

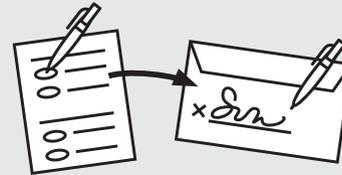

1

If you're registered to vote, there is no need to request a ballot. Your ballot will be mailed by **October 21** to the address you provide on your voter registration. If you need a replacement ballot, contact a county elections office listed at the end of this pamphlet.

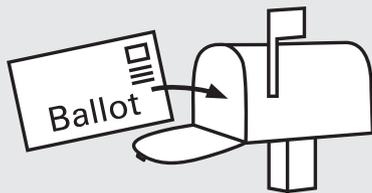

2

Vote your ballot and sign your return envelope. We need your signature to accept your ballot. You are not required to vote every race on your ballot. We encourage using this pamphlet to help you decide.

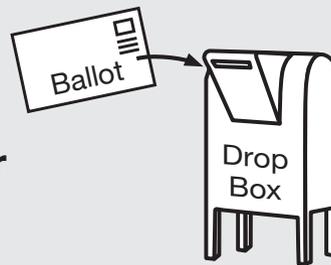

3

Return your ballot by mail, no stamp needed. If mailed, your ballot must be postmarked by **November 8**. Don't let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

Or, return your ballot to an official ballot drop box. Drop boxes are open until 8 p.m. on **November 8**. Find drop box locations at **VoteWA.gov**.

Or

If you cannot personally return your ballot, let only people you trust deliver it for you.

4

Check the status of your ballot on **VoteWA.gov** to see if it has been received by your county elections office.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

## View election results online

After 8 p.m. on election night, tallied results from each county are posted at **results.vote.wa.gov**.

Results are updated as counties report and unofficial until certification.

## Your district may have changed

Every 10 years, following the U.S. Census, legislative and congressional district boundaries are redrawn in a process called redistricting.

Redistricting ensures that each district has about the same number of people, which means equal representation in government.

As a result of redistricting, you may have been assigned to a new legislative or congressional district.

If you have changed districts, you will vote on different legislative or congressional races, beginning this year.

For more information about new district boundaries or the redistricting process, visit [www.redistricting.wa.gov](http://www.redistricting.wa.gov).

## How do I know if something is true?

When reviewing online or printed information, think about:

- Who made this, and who is it for?
- Why did they make it?
- When was this made?
- What makes it believable?
- How might other people read this message?
- Ask the experts — consult a fact-checking site or ask an official source. Get trusted info from your county auditor or elections office.

## Engrossed Substitute House Bill 2076

The legislature imposed, without a vote of the people, premiums on “transportation network companies” to provide workers compensation to their drivers, costing an indeterminate amount in its first ten years, for government spending.

This tax increase should be:

- Repealed
- Maintained

## Ten-Year Projection

Provided by the Office of Financial Management  
For more information visit [www.ofm.wa.gov/ballot](http://www.ofm.wa.gov/ballot)

| Engrossed Substitute House Bill 2076 (ESHB 2076)<br>Narrative Explanation (required for Indeterminate Cash Receipts)  |
|---|
| <p>Section 1 requires transportation network companies (TNCs) to remit \$0.15 of every passenger fare quarterly to the newly created Driver Resource Center Fund beginning July 1, 2024. How much is collected will change each January 1 because remittance will be adjusted each year based on inflation. In addition, the Department of Labor &amp; Industries has no way to predict how many passenger fares will be remitted or how many TNCs will be subject to interest and penalties due to failing to remit payments by the deadlines. For these reasons, fiscal impact associated with section 1 is indeterminate.</p> <p>Section 11 of the bill directs L&amp;I to assess premiums for TNC drivers only for hours while the driver is engaged in passenger platform time and dispatch platform time effective January 1, 2023. These premiums would be used for potential future claims and would be deposited in the Accident and Medical Aid Accounts. L&amp;I anticipates that there would be additional claims filed by these workers and L&amp;I would receive additional premiums for this coverage. However, there is not sufficient data on these workers to determine the volume of additional claims or the level of additional premiums. This section of the bill is indeterminate.</p> |

# Federal Qualifications & Responsibilities

Except for the President and Vice President, all federal officials elected in Washington must be residents of the state. Only federal offices have age requirements above and beyond being a registered voter.

## Congress

The United States' Senate and House of Representatives have equal responsibility for declaring war, maintaining the armed forces, assessing taxes, borrowing money, minting currency, regulating commerce, and making all laws and budgets necessary for the operation of government.

### United States Senator

Senators must be at least 30 years old and citizens of the U.S. for at least nine years. Senators serve six-year terms. The Senate has 100 members; two from each state.

The Senate has several exclusive powers, including consenting to treaties, confirming federal appointments made by the President, and trying federal officials impeached by the House of Representatives.

### United States Representative

Representatives must be at least 25 years old and citizens of the U.S. for at least seven years. Representatives are not required to be registered voters of their district, but must reside in the state. Representatives serve two-year terms.

The House of Representatives has 435 members, all of whom are up for election in even-numbered years. Each state has a different number of members based on population. After the 2010 Census, Washington was given a 10th Congressional District.

**Statement**

These last few years have been some of the toughest for our state that I can remember. But that has only made me more determined to be a strong voice in the other Washington for our workers and families—one who listens to the people of our state first and foremost, and always stands up for our values and priorities.

As your Senator, I focus on results and concrete ways I can make life better for people in our state. I led the Senate in passing legislation last year to get our kids back into the classroom safely, make COVID vaccines available to everyone who needed them, and help small businesses and families make ends meet through difficult times.

Right afterward, I got to work to help pass the Bipartisan Infrastructure Law, which will create good-paying union jobs in every part of our state, improve public transit, expand lower-cost clean energy, establish universal broadband, and upgrade our bridges, ferries, and ports to strengthen supply chains.

And, I negotiated a bipartisan budget that funds local priorities Washington workers and families like you have told me about, like helping veterans find housing and expanding job training.

I will always stand up to those who want to roll back workers' rights, jeopardize American democracy, or ban abortions. I believe the economy should work for everyone in our state, not just those at the very top. Instead of tax cuts for the rich, I want to lower families' costs for basics like health care and child care—make housing, college, and career and technical education more affordable, and invest in American manufacturing to bring good jobs back home.

I ask for your vote so I can keep fighting for you and everyone here in Washington state.

**Tiffany  
Smiley**

(Prefers Republican Party)

**Elected Experience**

No prior elected experience, but an extensive background building coalitions and working with members from both parties to enact legislation reforming the Veterans Administration and improving veterans' health care.

**Other Professional Experience**

Triage nurse, full-time caregiver, President and Co-Founder of "Hope Unseen," veteran's advocate, mother of three growing boys.

**Education**

Whitworth College- Bachelor of Science in Nursing

**Community Service**

KADLEC Foundation Board, Elizabeth Dole Foundation, National Chamber for Hiring our Heroes, Veterans Airlift Command, Camp Corral, Smart Women Smart Money, Policy Vet Board

**Statement**

Tiffany Smiley grew up on a farm in rural Washington and dreamed of becoming a nurse. When she married her high school sweetheart, Scotty Smiley, and achieved her goal of becoming a triage nurse it seemed she'd achieved her version of the American Dream. That dream was shattered in April of 2005 when she was informed that her husband had been blinded by a suicide car bomber in Mosul, Iraq. At 23, Tiffany quit her nursing job and flew to Walter Reed Army Medical Center to be by Scotty's side.

At Walter Reed, Tiffany had to stand up to the federal government and fight for Scotty, his dreams and the care he had earned. For Tiffany, her experience with the military bureaucracy highlighted the challenges facing many service members and their families. Tiffany became their voice, going to Capitol Hill and meeting with anyone who would listen to her. She built coalitions with members from both sides of the aisle which ultimately resulted in real reform of the VA to help the catastrophically injured and their caregivers.

Drawing on her experiences as a veteran's advocate, Tiffany will build coalitions and work for policies that improve public safety and protect Washington families, combat spiraling gas prices and the inflation that's hurting the middle class and address the homeless crisis plaguing our communities. Tiffany will be a strong supporter of our men and women in law enforcement whose sacrifices keep our streets safe and allow Washington communities to thrive. As the mother of three school-age boys, Tiffany will invest in our schools to provide every child with a brighter future. Tiffany has earned the endorsement of the Washington State Republican Party. From a small farm in Eastern Washington to the nation's capital, Tiffany will be a voice for all of Washington.

**Statement**

I'm proud of being recognized as one of the Representatives in Congress most committed to bringing people together, even working with people with whom I disagree. But too many people in our area are suffering because Mitch McConnell and Donald Trump believe that blocking progress may help them win elections.

*My priority is helping folks in our community.* People in our area are being squeezed by inflation. I've voted to crack down on price gouging by oil companies and lower gas prices. I helped write legislation to reduce dependence on China and boost manufacturing in America, which would reduce inflation. I voted to make prescription drugs more affordable and expand Social Security to provide relief from rising prices. I voted to protect a woman's right to choose and prevent any state from putting a woman or her doctor in prison. I voted to prevent voter suppression and protect voting rights. Unfortunately, McConnell is blocking all of those things from becoming law. No wonder folks are frustrated that Washington DC isn't doing enough to help people in our Washington.

*I'm running for Congress to stand up for reform* – to reduce the role of big money in politics, ban members of Congress from buying stocks, and stop Members from being paid if they don't do their jobs and pass a budget.

*I'm running to get government working again for people* – to clean up Puget Sound, expand Social Security, lower the cost of housing and reduce homelessness, keep our neighborhoods safe for everyone by funding police, and support local small businesses. I'll fight back against McConnell and Trump so we can make progress.

I grew up on the Olympic Peninsula, the son of two teachers. I'm committed to helping people in our area who are struggling. I ask for your vote.

**Community Service**

**Statement**

My candidacy isn't about me. It's about America and Americans, Washington and Washingtonians--people like you and me who live here, and love it here.

Most of us sense America's headed the wrong direction. Crime and homelessness are surging. Public safety's threatened. Businesses are suffering. Inflation is the highest in 40 years. We all feel pain at the grocery store and gas pump. Biden's administration isn't *solving* the problem--it *is* the problem. Congress isn't doing its job.

2022 is pivotal. I'm fighting for this District, to defend what we all love: Strong Families, Strong Communities, Strong Country. That means: Restoring public safety by supporting our police and military; Rebuilding our economy by lowering taxes and debt; Eradicating homelessness; Protecting America's sovereignty and our workers' livelihoods; Preserving Constitutional freedoms; and Reclaiming parental authority over their children's education.

I'm not a career politician and never intended to be. I was asked to run, for what others saw in me: commonsense leadership with a moral compass, combined with a skillset and professional background that delivers what's needed *now*: a gift for sizing up problems, communicating effectively, and engaging productively to *get things done right*, and *get the right things done*.

The Democrats' agenda is corrosive from within. It's rewarded destructive behaviors, and spawned crushing debt. House Democrats are off course, and our current Representative votes in lockstep with the worst of them, as if we were Seattle. (We're not). The House has been rife with dirty tricks, but it stops *now*.

I'm a Mom on a Mission to Clean Up The House in D.C. As the only endorsed Republican candidate in this race, (having earned the unprecedented early endorsement of the Washington State *and* County Republican Parties, current and former legislators, community, military, and law enforcement leaders), I ask for your vote.

### Statement

As your current Secretary of State, my top priority is to ensure our elections are secure and accessible to every eligible voter. I am proud of my career in public service working alongside Democrats, Republicans, and Independents advocating for all Washingtonians.

My mom, an Asian immigrant, raised me to work hard, value education, and serve others. That is why I have worn the uniform for more than 30 years and served 15 years in the state Senate.

With bipartisan support from state lawmakers, I am leading work that safeguards our election systems from cybersecurity threats, confronts malicious disinformation, and engages underrepresented communities. These commitments are why I am endorsed by numerous County Auditors who conduct elections, labor and business, voting rights advocates, and prominent state and federal leaders.

### Statement

Polarization has eroded trust in our government. The Secretary of State has the critical job of running trustworthy elections, as well as providing public records access, business registry, and library services. This demands experience. Partisanship has no place in the Secretary of State's office.

I've been Pierce County's nonpartisan Auditor for 12 years, leading a nationally recognized, award-winning office that has increased voter access, enhanced election security, and improved auditing procedures. I've provided oversight and statewide leadership in elections, increased access to public records, and streamlined business licensing. I hold national and state certifications in election administration and am a certified public records officer.

I've worked closely with counties throughout the state. Together, we've created a national reputation for excellence. That's how I've earned the trust and endorsement of more than 30 Democratic, Republican, and Independent election administrators and County Auditors throughout Washington State.

My experience and leadership managing hundreds of elections in Washington's second largest county has prepared me to serve as your Secretary of State. I will protect our democratic republic by making our elections more secure, transparent, and accessible. I ask for your vote.

Board member, Kitsap Community Resources; Member, American Association of University Women, Gig Harbor; Volunteer, Access Women's Health Justice; Fenway Community Health; Big Sister

**Statement**

As our State Senator, Emily put politics aside to represent our entire community. Emily is an effective, pragmatic leader who stands up to extremists on both sides.

A third generation Kitsap County native, Emily believes in our community's strength and is committed to making it a better place to live and work. She knows that together, we can build strong, safe, and healthy communities—with great public schools, affordable and locally available healthcare, good jobs, traffic relief, and support for our small businesses.

Emily has lowered costs by cutting Tacoma Narrows tolls, providing tax relief for working families and small businesses, reducing prescription drug prices and healthcare costs—while expanding funding for law enforcement and our local schools.

The past few years have been tough for our families. We have more work to do to ensure we can afford not just to live here, but thrive here—that our kids have great schools and that our government stays focused on our priorities, not those of special interests. To do this we need to move beyond divisive politics and work together. *Endorsed: Congressman Derek Kilmer, Kitsap County Sheriff John Gese, Bremerton & South Kitsap Firefighters, American Federation of Teachers Washington.*

Young**

(Prefers Republican Party)

**Elected Experience**

State Representative, 2014 - Present.

**Other Professional Experience**

A software engineer and business owner, Jesse has advised companies globally in the industries of finance, healthcare, aerospace, and technology. He's also served in the Commandant's National Security Program, US Army War college.

**Education**

Wilson HS, Valedictorian and Washington State Scholar; University of Notre Dame, BBA-MIS.

A Rotarian (Paul Harris Fellow), Navy League member, and adoptive parent of YWAM's Adoption Ministry in Ethiopia, Jesse serves on the board of Harbor Hope Center fighting teenage homelessness on the peninsula.

**Statement**

Everyone deserves a thriving economy, transparent government, and the right to be safe from crime and fear. That's why I'm now running for State Senate. I will continue working tirelessly to stand up for *our* rights, *our* children's future, and *our* first responders – and I'm proud to be strongly endorsed by our police unions.

Growing up on the streets of Tacoma and experiencing homelessness as a youth, I learned to take nothing for granted. Despite a rough start to life, I was blessed to have the *opportunity* to apply hard work and street smarts to become Valedictorian of my class and then graduate from Notre Dame.

As your current State Representative, I care about making sure those opportunities exist for *everyone*. Unfortunately, we've seen those opportunities diminish under the radical policies enacted by our current Senator to defund our police, legalize drugs, and let criminals out of jail – while also raising our gas taxes, property taxes, and passing an unconstitutional state income tax.

Whether I'm standing against ineffective government or corporate interests, working to strengthen our schools, or applying my career experience to help get this economy going, I'll continue *working hard* to serve you. Remember Vote Young!

I grew up here, graduating from Peninsula High School where my mom is a teacher and digging irrigation lines with my dad's landscaping business. I love our community.

**Statement**

For many, the opportunity to work and pay the bills and retire with dignity feels impossible. I will use my experience serving people living paycheck to paycheck to focus Olympia on affordability – from housing to health and childcare. We should grow wages, and lower taxes for working families, seniors, and small businesses.

As a lawyer, I serve domestic violence victims. We must prioritize public safety, address homelessness, and *fund* first responders, so police officers can do their jobs. Let's fix Olympia's priorities. I have faith in our Constitution, community, and country. I hope to earn your vote.

Happy to still be playing hockey for the Bremerton Bulldogs!

**Statement**

During my first five years in office, we had a much more balanced legislature. That drove bipartisan approaches and solutions which I was happy to be part of. This led to sustainable budgets with surpluses, solving the McCleary education lawsuit, solving water rights related to the Hirst decision, and lowered college tuition. However, over the past few years the legislature has made life harder for many of our citizens. There is high inflation and energy costs, education has struggled through the pandemic, the state budget has grown exponentially, and law enforcement has been villainized and defunded. This is unacceptable. We need to return to a balanced state government, and I have the proven leadership to be part of the solutions. You deserve a stable economic environment; a strong education system and our first responders need the resources to keep us safe. We can do that and get back to having sustainable budgets with strong surpluses. I have the leadership and experience to do that. I ask for your vote and thank you!

## How is my ballot counted?

1

### Your county receives your ballot

Deposit your ballot in an official drop box by 8 p.m. on November 8, Election Day, or return your ballot by mail — postage paid — but make sure it's postmarked by Election Day! Don't let a late postmark disqualify your ballot. The USPS recommends that you mail it back at least one week before Election Day.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

2

### Your signature is verified

Your signature is important and we need it to accept your ballot. The signature on your return envelope is compared to the signature on your voter registration record. If the signature matches, your ballot is accepted and you are credited for voting to ensure **only one** ballot is counted for you.

3

### Envelopes and sleeves are separated

The return envelope is opened and the security envelope or sleeve containing your ballot is removed. They are separated to ensure the secrecy of your vote.

4

### Your ballot is reviewed and scanned

The security envelope or sleeve is opened and election staff review your ballot to verify that it can be successfully scanned. Each voting system is certified and tested before every election.

5

### Your ballot is counted

After 8 p.m. on Election Day all scanned ballots are tallied. Ballots will be scanned and tallied over the next several days until all the votes are counted. Every county conducts a post-election audit.
